

Checkers & Rally's grand opening today in Romeoville

Checkers & Rally's franchisee Babar Raza will be opening his fourth Checkers & Rally's today in Romeoville at 4 p.m.

National drive-thru restaurant Checkers & Rally's is opening their newest location in Romeoville today at 651 North Independence Blvd. Babar Raza decided to open his fourth Checkers to bring the Chicagoland area a variety of high-quality burgers, hot dogs, wings and desserts at an affordable price.

What makes this Checkers unique is that it will be a Model 4.0 modular restaurant design. The restaurant was constructed in a controlled environment off-site, loaded on to a truck and delivered to the plot of land where the restaurant will operate and was lowered via crane. This new design shaves weeks off of the development process and eliminates the worry of other construction concerns like weather delays.
